welcome

# We are so happy to have you here!

Learning a new language can be daunting at first, but we will make it as fun and engaging as possible. In this way, you will feel confident every step of the way.

## Why HoiHoi

### **Safe & fun**

Our priority is to create a safe and fun learning environment. Only then you learn your best Dutch.

### **Engaging**

Through our interactive course material you'll find yourself speaking Dutch in no-time.

### **Real-life use**

Use the words and phrases you learnt right after your classes in real life.

An orange tote bag is the central focus, placed inside a light-colored woven basket. The bag features a white logo consisting of a rounded rectangle with a small notch at the top. Below the logo, the text "where conversations start" is printed in a clean, white, sans-serif font. The basket also contains two green items with a white zigzag pattern, one on each side of the bag. The background is a light blue wall on the left and a green fabric on the right.
